Date: Friday, September 15, 2017 3:45:24 PM

Good Afternoon,

Two Soror's that work for the U.S. Environmental Protection Agency, also happen to be active members of the Kansas City Kansas Alumnae Chapter of Delta Sigma Theta Sorority Inc., have been deployed to Port Arthur, Texas in response to Hurricane Harvey. We are working to make contacts and connections in the local area to provide information and help with communication distribution.

We are reaching out to you to get information, as it relates to the needs of the local community and also share information that will be helpful to residents.

Feel free to reply to this email or reach me by phone at either of the phone numbers listed below.

Thank You
